3. We require you to supervise your children

- ☺ Covid-19 protocols and procedures are in place during Play & Grow
- ☺ Please sign your child in on the attendance register upon arrival
- ☺ Please bring a packed healthy morning tea for your child to have at morning tea
- ☺ To ensure that you get the most of the Play & Grow experience it is vital for parents/caregivers to engage with their children as much as possible
- ☺ We want to remind you that at Play & Grow you are ultimately responsible for the supervision of your children. Please ensure that you nominate another adult to watch your children during the moments you aren't able
- ☺ At Play & Grow we encourage any parent/caregivers' suggestions and input
